ho.me⁺ cap

The beauty of the contemporary bathroom lies in its ability to combine aesthetic harmony with freedom of expression. It is from this philosophy that Ho.me Cap takes shape – a design extension conceived for those who wish to infuse their wellness space with dynamism, rhythm and a touch of creative daring. The real star of the show is the iconic ribbed front panel, which is not merely an aesthetic detail but a sensory experience to be touched and enjoyed.

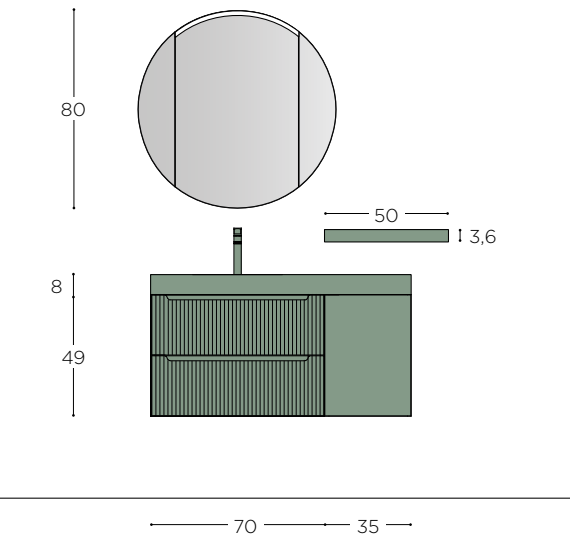

La beauté de la salle de bains contemporaine réside dans sa capacité à allier harmonie esthétique et liberté d'expression. C'est de cette philosophie qu'est né Ho.me Cap, une extension conceptuelle conçue pour ceux qui souhaitent insuffler du dynamisme, du rythme et une touche d'audace créative à leur espace de bien-être. Le véritable protagoniste est la façade cannelée emblématique, qui n'est pas seulement un détail esthétique, mais une expérience sensorielle à toucher et à vivre.

La bellezza del bagno contemporaneo risiede nella capacità di unire l'armonia estetica alla libertà di espressione. È da questa filosofia che prende vita Ho.me Cap, un'estensione progettuale pensata per chi desidera infondere dinamismo, ritmo e un pizzico di audacia creativa al proprio spazio di benessere. Il vero protagonista è l'iconico frontale cannettato che non è solo un dettaglio estetico, ma un'esperienza sensoriale da toccare e vivere.
